

**Robin Ruth Design
“Around Robin”
Supply List**

Skill Level - Advanced Beginner

Students should have experience piecing and be prepared to move along at a fairly quick pace in class. Good rotary cutting skills and accurate sewing are a plus for this class.

Class Description

Create this 17½” mandala style block using techniques that are common in Robin Ruth Design patterns. We will make a faced circle center, a 45° Dresden band, and some faced petals to create this finished block that can be applied to any larger project you choose! Robin will give other examples in class of how these techniques are used in many of her patterns to go along with her strip pieced mariner’s compass blocks.

All work to make these blocks will be done in class.

Choose from one of the three blocks below.

Tradewinds

Botanica

Winterberry

Kits will include

Freezer paper templates

4 fat quarters (note that your finished block may look slightly different than those above depending on the fat quarters you receive in the kit)

Lightweight non-fusible interfacing for faced elements

Kits fee is \$15 and will be collected in class.

Once you are signed up for class, please email me at

robinruthdesign@gmail.com

**to let me know which kit you would like - Tradewinds, Botanica,
or Winterberry.**

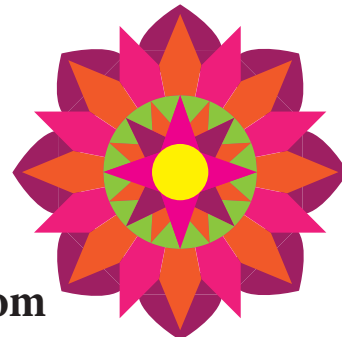

(Supplies are limited, so we will do our best to get you the kit you choose)

Supplies Needed for Class

- Regular sewing supplies (sewing machines provided for class, cutting mat and rotary cutter, thread to go with your block choice, paper scissors, fabric scissors, pins, ironing station - if allowed)
- Straight edge ruler with a 45° angle.
- Your favorite turning tool - one that doesn't have too pointy of an end.

Examples of what this “Around Robin” block looks like with an 8” Skinny Robin or Fat Robin block in the center!
