

## **CRIMSON CHRISTMAS SUPPLY LIST:**

Give your Christmas decor the wow factor with these oversized poinsettia blooms. The asymmetrical design gives a contemporary nod while the depth and richness of color brings an elegance to any space. This quilt is constructed using a variety of shapes and sizes all cut using the original Creative Grids 60 degree diamond ruler. The piecing starts out smaller in the middle and “blooms” out bigger with each row of petals. There is no fussy piecing or Y seams involved!
