

Framed Nine Patch

This kit contains:

20 (30, 48) sets of 2 ½" squares for Nine Patch Blocks.

There are 5 darks and 4 lights in each set

Or

There may be 180 (270, 432) scrappy squares.

20 (30, 48) strips @ 2 ½" x WOF for framing.

Make 20 (30, 48) Nine Patches. Press seams as you like.

These should measure 6 ½" square.

From the framing strips cut 2 @ 6 ½" and 2 @ 10 ½" for each block.
Stitch the short pieces to either side of the Nine Patch and press the seam towards the sashing. Stitch the two long pieces to the remaining sides and press toward the sashing.

Lay the blocks out in a 4 x 5 (5 x 6, 6 x 8) grid, alternating the short and long pieces of the framing so that there are no seams to match.

Stay stitch around the outside edge to prevent seams from popping.

Cut any scraps into 2 ½" squares and make more Nine Patches.

Return them to Charity Central or use them yourself.

40" x 50", 50" x 60", or 60" x 80"
