

# Boxed Squares

---

This kit includes:

48 tiles @ 4  $\frac{1}{2}$ ", 5", or 6  $\frac{1}{2}$ " square

48 strips @ 2  $\frac{1}{2}$ " x WOF

Pair each tile with a strip. Cut two pieces from the strip the size of the tile (4  $\frac{1}{2}$ ", 5", or 6  $\frac{1}{2}$ "). Stitch those pieces to opposite sides of the tile. Press the seams toward the attached strip. Measure across the stitched block and cut two matching pieces that size (8  $\frac{1}{2}$ ", 9", or 10  $\frac{1}{2}$ "). Stitch to the remaining sides to make a block that measures 8  $\frac{1}{2}$ ", 9", or 10  $\frac{1}{2}$ " square.

Lay out the completed blocks in a 6 x 8 grid. Arrange the block so that the short pieces of one block are against the long pieces of the next block. There should be no seams to match between the blocks.

Stitch the blocks together to complete the top. Stitch around the outside edge of the top to keep the seams from opening before quilting.

Once the top is complete, please return it and the pattern to

Charity Central.

Thank you for making a Charity Central Quilt.

If you could cut the scraps into 2  $\frac{1}{2}$ " x 6  $\frac{1}{2}$ " bricks or 2  $\frac{1}{2}$ " squares and return them, that would be great! You could also sew them together into 6  $\frac{1}{2}$ " blocks. We will use them in other kits.

Thanks!

A Kathleen's Collection Pattern for WSQ Charity Central
