40" x 60"

This kit contains:

One or two inserts that add up to about 20" in length by WOF

4 @ 1.5" x WOF strips for sashing top and bottom of inserts

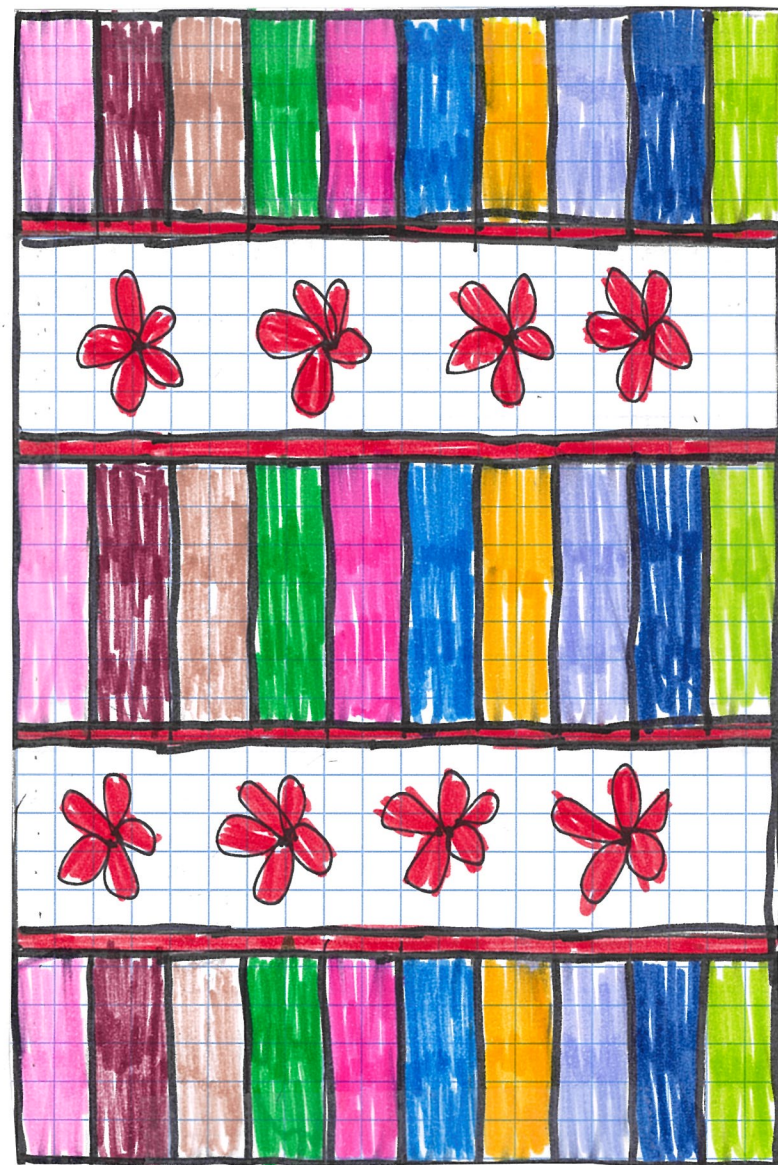

11 @ 4.5" x WOF strips, or 14 @ 3.5" x WOF strips, 21 @ 2.5" x WOF strips, or any combination that adds up to 42-44" x WOF.

Stitch down any applique and attach 1.5" sashing strips to top and bottom of insert.

Stitch the other strips together on the long side to make a strip piece that measures approximately 42" wide by 42" long. Press the seams to one side.

Cut the strip piece at the about the 12" mark on top and bottom and add insert.

Stay stitch across the top and bottom to prevent seams from popping open during quilting.
