

This kit contains:

18 @ 2 ½" x WOF dark strips, and 18 @ 2 ½" x WOF light strips for the 40" x 56" Small kit.

Or

32 @ 2 ½" x WOF dark strips and 32 @ 2 ½" x WOF light strips for the 56" x 72" Large kit.

From each strip, cut 8 pieces @ 2 ½" x 4 ½".

Stitch 2 dark pieces side by side. These should be two different fabrics. Press the seam to one side. The block is right side up when the seam is vertical. Stitch a light piece to the top and bottom, perpendicular to the seam.

Stitch two light fabrics pieces to two dark fabric pieces, end to end. These should all be different fabrics. With the center seam vertical, stitch one of the end-to-end pieces on the right and left sides of the block. The dark color should be on top on the left side and on the bottom on the right side of the block.

Make 35 blocks for the Small kit and 63 blocks for the Large kit.

Layout the blocks, alternating vertical and horizontal, in a 5 x 7 or 7 x 9 grid. The darks should crisscross the quilt and the lights should be bunched, see the pattern.

Once you are pleased with the layout, stitch the blocks together. Stay stitch around the outside edge to prevent seams from popping before quilting.

If there are any scraps, cut them into 2 ½" squares and return.

Thank you for making a Charity Central Quilt.

Potato Chip Quilt

40" x 56" or 56" x 72"
