

Spice Rack Quilt

40" x 60"

This kit contains:

31 @ 5 ½" squares, 128 dark half square triangles, 128 light half square triangles, 6 @ 1 ½" x WOF strips for inside border, 6 @ 2 ½" x WOF strips for outside border.

Stitch 128 light and dark half square triangles together to make 128 @ 2 ½" Half Square Triangle blocks. Stitch two Half Square Triangle blocks together matching 2 dark triangles or 2 light triangles to make Flying Geese blocks. Make 32 dark and 32 light Flying Geese blocks. Match one dark Flying Geese block with one light Flying Geese block to make 32 Arrow Blocks, all with the dark Flying Geese on top.

Lay out the blocks as shown, orienting the Arrow Blocks as shown. When you are happy with the layout, stitch the blocks together.

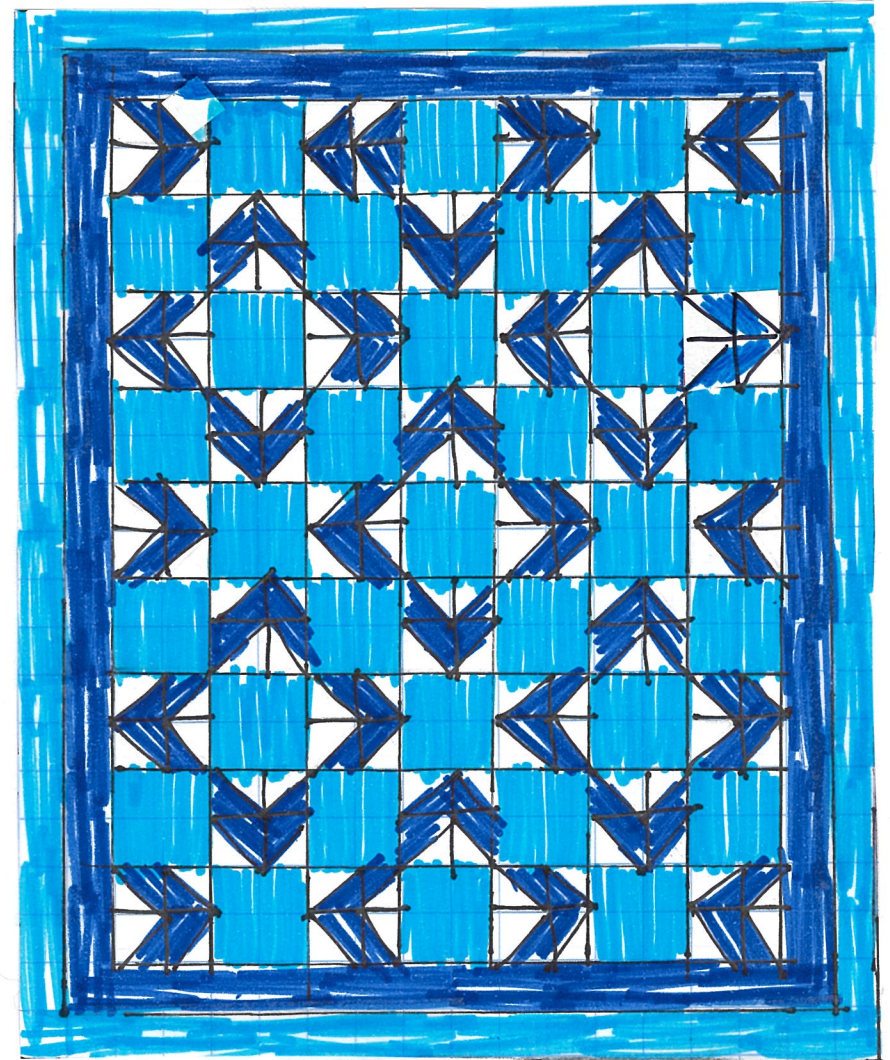

Stitch the inside border strips (1 ½" x WOF) together. Measure the sides and cut two strips that length. Stitch to the sides. Press seams to the border. Measure top and bottom, cut and stitch border strips. Press seams to the border.

Repeat for the outside border (2 ½" x WOF).

If there are scraps, cut them into 2 ½" squares and return.

Return any safety pins.
