This kit contains:

17 @ 10 $\frac{1}{2}$ " or 12 $\frac{1}{2}$ " squares, 72 dark half square triangles, 72 light half square triangles, 8 strips at 2 $\frac{1}{2}$ " x WOF for inside border, 8 strips at 3 $\frac{1}{2}$ " x WOF strips for outside border.

This kit may contain 5 Special Blocks, applique or fussy cut print. Stitch down the appliques as needed. Feature these special blocks in the five framed spaces, marked A-E on the pattern.

Stitch 72 light and dark half square triangles together to make 72 @ 5 $\frac{1}{2}$ " or 6 $\frac{1}{2}$ " Half Square Triangle blocks. Stitch two Half Square Triangle blocks together matching 2 dark triangles or 2 light triangles to make Flying Geese blocks. Make 18 dark and 18 light Flying Geese blocks. Match one dark Flying Geese block with one light Flying Geese block to make 18 Arrow Blocks, all with the dark Flying Geese on top.

Lay out the blocks as shown, orienting the Arrow Blocks as shown. Feature the 5 Special Blocks, if any, in the framed spaces. Be sure the special blocks are oriented so that they are right side up. When you are happy with the layout, stitch the blocks together.

Stitch the inside border strips (2 $\frac{1}{2}$ " x WOF) together. Measure the sides and cut two strips that length. Pin and stitch to the sides. Press seams to the border. Measure top and bottom, cut and stitch border strips. Press seams to the border.

Repeat for the outside border (3 $\frac{1}{2}$ " x WOF).

If there are scraps, cut them into 2 $\frac{1}{2}$ " squares and return.

Return any safety pins.
