

## **FLORAL EMBROIDERY AND EMBELLISHMENT**

### **(The 'Cheryl Clossin' Way)**

**I believe that embellishing improves everything!!**

**If you do too, but don't know where to begin on your projects, this 3 hour class is perfect for you!**

**It is a deep dive into:**

- **Evaluating where to embroider or place beads onto your project,**
- **Learning several easy embroidery stitches as well as stitches that look complicated but are easy to master,**
- **How to attach your beads or other trims and embellishments to your quilts and projects,**
- **Using embellishments to add your personality and flourish to your quilts and projects.**

**You will leave this class with a new understanding and confidence to add flair, texture and that bit of bling to your next quilting project.**

**A Kit will be provided (for a fee) which will include fabric, stabilizer, thread, needles and beads.**

**Once your project is complete, I will discuss several ways to finish your project.**

**Supply List:**

- **Kit for the class**
- **Good embroidery scissors**
- **A thimble if you use one**
- **Pencil and paper for notes and drawing**
- **Embroidery needles of your choice. (An embroidery and beading needle will be included in your kit but it's always good to have an extra).**
- **You can also bring extra beads, bits of lace, trims or small buttons .**
