We challenge you to use all your strips, no matter what width, no matter what length, no matter what color. We want them all!

Sort your strips according to width, then length, and finally by color (this is optional - we love scrappy!). Select from the challenge options:

## OPTION A: RACE QUILT

Sew full width of fabric strips end-to-end.

## OPTION C: 6½" BLOCK

Create 6½" blocks by sewing patch blocks (4 patch, 9 patch, etc.), or sew strip lengths together side-by-side to create strip blocks.

This is a great way to use up shorter lengths!

<b>2" Strip</b>	2" length set 4 x 4	Sew 4

<b>3½" Strip</b>	3½" length set 2 x 2	Sew 2
