President's Message

Welcome Summer! The WSQ Board has been hard at work to provide activities for our members. Most of them have been virtual but we have hopes to meet in person soon! Our July Membership meeting on July 22 will be via Zoom with Linda Hahn as our Speaker. All current WSQ members will receive an invitation to the meeting. To use Zoom, all you have to do is click on the link and it will bring you there. It is very easy to use, you don't have to be on video if you choose not to, and it is so much fun to see all those familiar faces you haven't seen in so long! If you can get an email or shop online, you can use Zoom. If you do not have Internet capability, perhaps some of your friends do. Get together with them and see what is going on. We had 61 attendees at our April meeting out of a membership of over 250. I hope that you will give it a try, we would love to see you.

At our April meeting, we took several polls of those attending and have made some Board decisions based on those numbers. It was not a very big sampling of the Membership, but it was the best we could do. Based on those numbers, we decided that a virtual meeting in July was our best option. We have decided to make the January meeting virtual on a permanent basis and have selected Speakers for those months accordingly. We may be able to pull in Speakers we could not afford before if we do it virtually, maybe even someone from Europe or Australia.

The Board has decided to hold our annual Quilt Show on October 15, 16, and 17, 2021. We are starting the planning process late and there may be some things we cannot do, and some things may be different than the way we have done them before. We may incur a financial loss but have decided that this is the rainy day we have been saving our money for. We need your help more than ever. We usually have over 300 volunteers and this year we only have 280 members. Anita has more information on the help she needs. Whatever you can do will be greatly appreciated!

The Fair committee has decided not to participate in the Spokane Interstate Fair this year. There are a lot of questions as to protocols and the committee did not think they would be able to get the 65 volunteers they needed in time. We are hoping for better luck next year.

We are offering ribbons in at least 8 local Fairs.

The links to the Fairs and how to enter your quilts are on the web site.

We are hosting a Shop Hop on August 13, 14, and 15. This is the Shop Hop usually put on by the American Sewing Guild. There are 20 shops participating.

We are hoping to have a bus trip to some of the outlying shops next year. We will be having a Quilting Bee on August 7 at the Country Homes Christian Church.

Raffle tickets for the Farmer's Wife quilt are on sale. Tickets will be for sale until the last day of the Quilt Show when the winner will be picked. Be sure to get your tickets as soon as you can. Cathy Anderson could use some help with getting the quilt out and about. We also need a Raffle Quilt Chair for 2022. The quilt is already made, it just needs to be quilted.

We are hopeful to have our Yard Sale once again on October 30, depending on SFCC's ability to host large groups. Things are beginning to firm up and the light at the end of the tunnel is getting brighter. It has been a long road, but I think we are nearing the end of it. We plan to have our September meeting in person and start to get back to normal. More information about September in the next newsletter. In the meantime, enjoy your summer to the fullest!

Kathleen Woods
WSQ President

Please note these are virtual events and will be conducted over Zoom.

Friday, July 23 9-4 Wicked Wahani

Linda's presentations and workshops will be virtual. She will give a lecture on Thursday July 22nd at 1pm on the New York Beauty and at 6pm she will dazzle us with a lecture on Rock that Block.

The Friday 7/23 workshop will be for the Wicked Wahani from 9am – 4pm.

This design is only available in WORKSHOPS with Linda. Not available in a book or pattern or from anyone else!!

Learn Linda's ONE PIN technique to create perfect New York Beauty blocks on your first attempt....no puckers....no ripping...no cussing! You will then incorporate those blocks into a larger block that has NO set in seams.

Linda will also demonstrate how to make a miniature version using the scraps and cutaways from making the larger project.

Order kit (\$28) directly from Linda's website:

www.froghollowdesigns.com

Kits must be purchase by July 11 in order arrive in time for the workshop.

Saturday, July 24 Windsor Workshop

Linda will demonstrate the technique to "rock" a quilt block (this quilt comes from the Country Crown block), that can be used on many other blocks!

Students will then learn Linda's technique for foundation piecing using paper (in the kit) that can be left in the quilt.

Students will work on preparing the different color quilt blocks which are laid out and assembled into the quilt top after all the blocks are made.

Skill Level: Confident Beginner and Beyond

Order kit (\$17) directly from Linda's website: www.froghollowdesigns.com

Kit includes full color pattern, re-useable foundation stencil and foundation paper that stays in the quilt (enough for project).

43rd Annual Quilt Show

I am excited to announce that we are having our 2021 Quilt Show. Mark your calendar to join me at the Spokane Interstate Fair and Expo Center which has been reserved for our show, "Harvesting Quilts" to be held October 15 - 17, 2021.

Even though we are five months behind on planning this years show, we are making progress. Vendors have been contacted, quilt show pin artwork has been submitted for the mock up designs, bookmarks and posters have been ordered, and we are getting the word out that we are having our show this year.

Shelley Sieverkropp has graciously agreed to be our featured quilter again this year. Shelley is the wife of a farmer/rancher in Lincoln County, a quilt instructor at Macine Quilters Exposition (MQX) and Utah Sewing and Quilting Marketplace (UQSM), and is a great piecer and machine quilter.

On-line registration is now open and will ends on Aug 8th. You can also sign up to have your quilt judged by a professional judge for \$10 per quilt when registering your quilt.

The Boutique is getting ready for your quilt related consignment items. See more information in the newsletter or on the Quilt Show Page on the website.

Volunteers Needed

Help us make the quilt show a success. Volunteer today to help out your favorite committee. I also have a vacancy for the chair on three committees. Please consider helping me by fill these spots: Cashier, Registration, and Set-up. All three of these committees are vital for putting on a successful show. If you are interested, please contact me through our website.

We usually have sign up sheets at our July meeting to volunteer, but since we are having a zoom meeting, we will need you to visit the quilt show page on the web site, www.wsqspokane.org, select "Contact Quilt Show" from the drop down menu, and send an email to the committee chair.

Committees that have sign up sheets are Bagging Party, Boutique, Cashier, Demonstrations, Hostess, Set-up, Stash Check, and Take-Down.

Treasurer's Report

Imagine, you are the 'new' WSQ treasurer and you get an email from Kathleen, WSQ president asking for some 'gift cards' that she needs to give to people, and to just send the codes as she is out of town. As the treasurer you know this goes against the WSQ 'policies & procedures', but being new-you proceed cautiously. Emailing back and asking questions, also picking up the phone to discuss it 'in person'. You notice, this request has her FULL name, and is signed President of WSQ **BUT** it is has been sent from an email address that you are not familiar with (even though it has her name on it, and it is gmail.com) After speaking with Kathleen, who laughed and said "No-not me- I wouldn't request that!" -- you realize that WSQ has been the target of financial fraud. It was pretty smooth-it wasn't the only incident either. Multiple requests have come through, with people identifying themselves as someone on our board, or a committee.

Due to these events I decided to attend a webinar offered by Washington Trust Bank titled 'Email Hacking & Financial Fraud'. It discussed how cybercriminals are real, very active, and seeking to get large amounts of money from you.

In the past WSQ's financial data has been listed in our webpage- via the newsletter. It is also verbally reported at our Membership Meeting Minutes-and thus recorded in those minutes, that are also in our newsletter for membership approval. This makes our financial data public, which needs to be kept private to our membership only. Immediately, WSQ will not list in a public manner our account or CD balances. This information will no longer be listed in our newsletter. The board will be discussing ways to provide this to members only in the future. However, as a member you may contact treasurer@wsqspokane.org and I will be glad to discuss our financial standing with you.

I am reporting that WSQ is in good financial standing, all accounts have been reconciled and will be submitted to the president for audit. The board continues to closely consider how to keep WSQ an exciting, viable, and long-lived organization. We are looking forward to the Shop Hop this year, as well as our Quilt Show. Be sure to join in the fun, and volunteer to share the fun behind the scenes. Thank you for your commitment to WSQ in 2020 & 2021!

Vicki Trudel

WSQ Treasurer 2021/2022

Thank you.

We all love fabric, but templates, books, patterns, marking tools, etc. are welcomed! We repurpose many of these items for some of our door prizes. Thank you for your support and willingness to donate, we couldn't do it without your help.

Fat Quarter Exchange Theme

Celebration! (we are celebrating getting back together)
(for every fat quarter you bring you will be entered once in the drawing)

*The church has requested based on current Covid restrictions that everyone who enters the building wears a mask, once seated vaccinated people are welcome to remove their mask. they do ask that unvaccinated people only remove their masks for eating or drinking

*this is subject to change based on the June 30 Governors Corona virus update.

Charity Central Update

Charity Central has not been receiving as many quilts as we usually do. Therefore, we have not been able to distribute as many quilts as we usually do.

How are you doing with your Charity Quilts?

We have “ready to quilt” kits available, consisting of a quilt top, backing, batting and binding. Call or text Sheryl Anderson at 509-999-9623 to drop off or pick up one of these.

We have tons of “ready to piece” kits. They consist of the pattern and pre-cut fabric for the top, and the backing and binding.

There are a large variety of kits some with lots of pieces, some with not so many.

They are made from our scrappiest fabric donations so there is a lot of variety.

There are also panels that just need borders attached.

Call or text JoAnn Sandstrom at 509-939-6629 to drop off or pick up kits. If you want to drop off quilts or tops and cannot get in touch with Sheryl or JoAnn, call or text Kathleen Woods at 910-322-2874. If you have kits that you picked up long ago and just have not been able to get to, or have started and cannot finish, bring those back too. Thank you for trying. We all know how life sometimes just gets in the way of the best intentions.

Charity Central has been blessed with many donations over the last year as many people cleaned out and downsized. We have a ton of fabric. If your Small Group or Church Group is working on charity quilts and needs fabric, we would love to give you some. If you are working on a charity quilt yourself and need some backing or binding, we would love to give you some. We have quite a bit of fleece and flannel that we especially want to find a home for. We cannot really use it in the quilts we make but it is good stuff. If you are making for a national group, Project Linus or Lutheran World Relief or Quilts of Valor or any of the many others, we would love to help with a fabric donation.

Our “20 in 2020” Challenge will be coming to an end when we meet again in person in September. Now would be a good time to get those quilts finished up and your group entered in the drawing. Thank you for all the quilts you have completed in this Challenge. It has been of great benefit to the Community. You are the best!

Yard Sale

Our fingers are crossed that there will be a yard sale on Saturday, October 30 at Spokane Falls Community College. SFCC is waiting for word from the State Board that they can open for large crowds. As expected, they cannot say when that will be. As soon as SFCC confirms we can have the yard sale, we will post it on the WSQ website. Plus we will notify those members that were signed up for the 2020 cancelled yard sale to find out how many are interested in participating in 2021. If we have not received SFCC’s approval by the August board meeting, a final decision will be made then.

SMALL GROUP SCOOP

Are you looking for a group that will challenge you and encourage you? Almost all of these small groups have openings.

Find one that fits your schedule and join. To add or remove a group from this list, or make corrections, please contact

Carole Horner, Small Group Coordinator, small.groups@wsqspokane.org **June 9, 2021**

WSQ Fair Awards Committee

As of mid-June, eight of the ten fairs that WSQ supports with ribbons for their quilt departments are planning to hold their fairs; the status of the remaining two have not yet been finalized. For those whose Exhibitor Guides are available, there is a link on the WSQ website to each. Hopefully this will assist you in entering your quilts in and supporting these local fairs. As of this writing the fairs are:

Action items from the President:

Approval by the members of a change to the Standing Rules regarding Charity Central.

Discussion of how we'll conduct the July 2021 meeting, virtual or in-person, if allowed. Decision after voting is to continue virtually and offer Linda Hahn as the speaker for both meetings.

Discussion to have each January meeting virtually in consideration of the winter weather and short days. Approved by both afternoon & evening attendees.

1st VP Darlene Mossman/Programs:

Our own Kristin Echols is the Speaker for today and will present online classes using her own version of the Quilt As You Go technique.

Linda Hahn will be the speaker & teacher for July.

Global Quilt Connection classes offered gratis to the WSQ membership on May 22-23.

2nd VP Anita Petersen/Quilt Show:

Anita gave historical context for the decision on whether or not to hold the October 2021 Quilt Show, as well as the guidelines re: COVID at the Fairgrounds. She asked members to answer these three questions: Will you enter quilt(s); would you attend; would you volunteer.

Treasurer Vicki Trudel:

WSQ is in good financial standing.

Amendment to Standing Rules, IV. Duties of Committee Chairs and Vice Chairs

A. The Charity Central Committee Chair Shall:

1. Accept donations of quilting supplies to make quilt kits to be distributed to members to be assembled into quilts.

Other Guild Events Coming Up

Greetings from the Inland Northwest Modern Quilt Guild!

We have opened registration for the **Dancing With The Wall: Improv Irene Roderick-Style Quick-step workshop** to the general public Friday, June 18. This workshop is **limited to 20 participants**, so don't delay if you want to make sure and get a spot. If this class fills up we will have a waitlist, with the possibility of having a second run of this workshop if we have enough people interested. So, even if you don't make it into this class, we recommend putting your name on the waitlist.

Here is Irene's description of the workshop:

Using only two contrasting colors, learn how to construct the individual components used to make an improv Irene-style quilt. Discover how fun it is to make many types of stripes, triangles, squares and curves in new and original ways. You will take home a 20-24" pillow top or mini-quilt ready to quilt as well as all the techniques to jump into a full-size improv quilt.

The workshop is **July 10 and 11, from 9 am - 1 pm each day**, and the cost is \$100 for the general public.

You can register/pay [here](#).

Hope to see you there!!

Global Quilt Connection

Hello Quilters!

The Virtual Quilt Sampler, through the Global Quilt Connection that WSQ offered free to our guild members, was a huge success. Approximately 8,000 people per day from guilds all over the US and abroad attended the 18 teacher demos over the two days of May 22nd and 23rd. It was very entertaining and educational, and gave new Zoom users an opportunity to experience how easy and convenient this format is for classes and lectures.

The first one was such a huge success they are going to offer it again with 18 new teachers bringing live technique demo's. Mark your calendars for Sat Oct 2nd and Sun October 3rd from 12:00PM - 3:00PM. Once again, WSQ will be covering the cost for all WSQ members. This is a great way to become experienced with virtual presentations.
